Students of Stamford High:

1956-1957 will be long remembered. It has, indeed, been a year of achievement! You are to be congratulated. This reminder: The same co-operation, the same loyalty and devotion that made '56-'57 a year of success will, if used in life's endeavors, make happy and useful lives. Try it!

It's good to be a part of such a High School. Best wishes to you.

Sincerely,

ADMINISTRATION

Mrs. Nell Ludecke, secretary to the superintendent.

For several years Mrs. Ludecke has been a vital part in Stamford High School's Administration. Her exuberant personality, coupled with her capability, and co-operation make Mrs. Ludecke a very valuable asset.

To the Students of Stamford High:

I am indeed happy to have this first opportunity to speak through the message of this page to each of you a personal and encouraging word. I would like to express my appreciation for your courtesy and co-operation. Certainly there have been problems, but that is true in every endeavor and we only get strong in body and mind by solving our problems.

Congratulations to the student body for a job well done.

Cordially,

STATE CHAMPIONSHIP EDITION

STAMFORD REPEATS STATE AA GRID TITLE

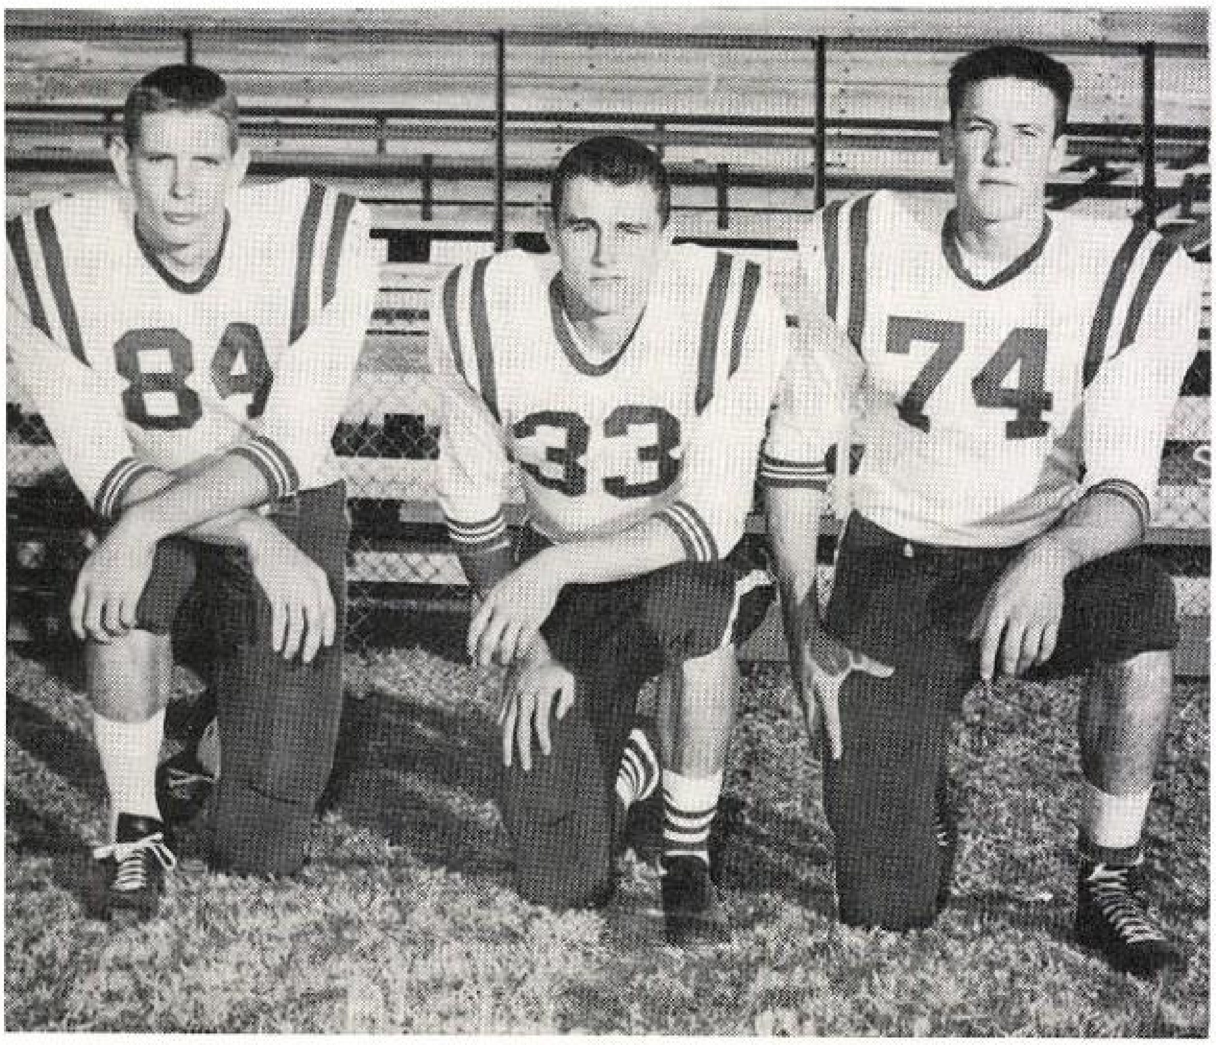
Under the guidance of one of the finest high school coaching staffs in the U. S., the magnificent Stamford Bulldogs lived up to pre-season hopes as they out-fought a mighty Brady eleven 26-13 for their second State crown - truly a great achievement! Best of all, harmony and teamwork reigned as the Blue and White obtained the prized crown again.

The 1956 State Champions opened the season against the Quanah Indians and notched their 18th consecutive win 46-12. Next to fall was a scrappy Ballinger Bearcat crew, 53-6. In a return bout from last year, the Bulldogs out-fought a never-say-die Andrews for a 26-13 victory. In the closest game of the year, the Bulldogs tenaciously maintained their winning skein with a 7-6 win over a powerful AAA foe, Sweetwater. Coleman became victim number 22 by grace of a 40-6 shellacking by the Blue and White. A terrific game with the Brownwood Lions gave Stamford fans a thrill as the mighty Bulldogs smashed their way to a 19-7 decision. An old rival, Anson, fell before the steam-rolling Stamford lads 40-0 for district victory number one. In a non-district conference tilt with Nocona, Coach Wood's reserves saw much action as they romped over and through the lightweight Indians for a 60-12 win. The Hamlin Pied Pipers toppled before a hungry Stamford crew 26-6, as reserves again saw mud action. In the district showdown, newcomer Seymour was bombed 47-0 for the Blue and White's 27th consecutive victory and their fourth district crown in the past six years.

First to fall in the Bulldogs' playoff path to glory were the Perryton Rangers 27-0 on a cold day in Childress. Pitted against a tremendous line, Coach Wood's stalwart charges not only met the challenge, but also came out as one of the finest lines in the state. Returning to Childress the following week,

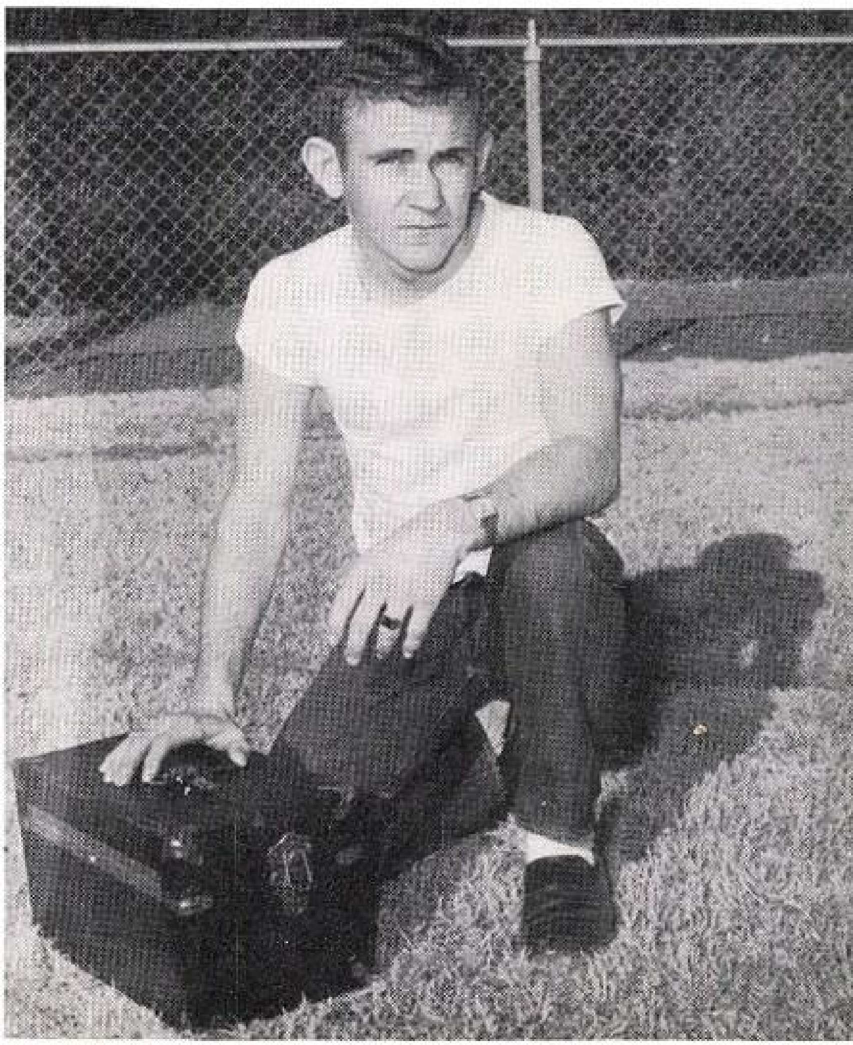
TRI-CAPTAINS

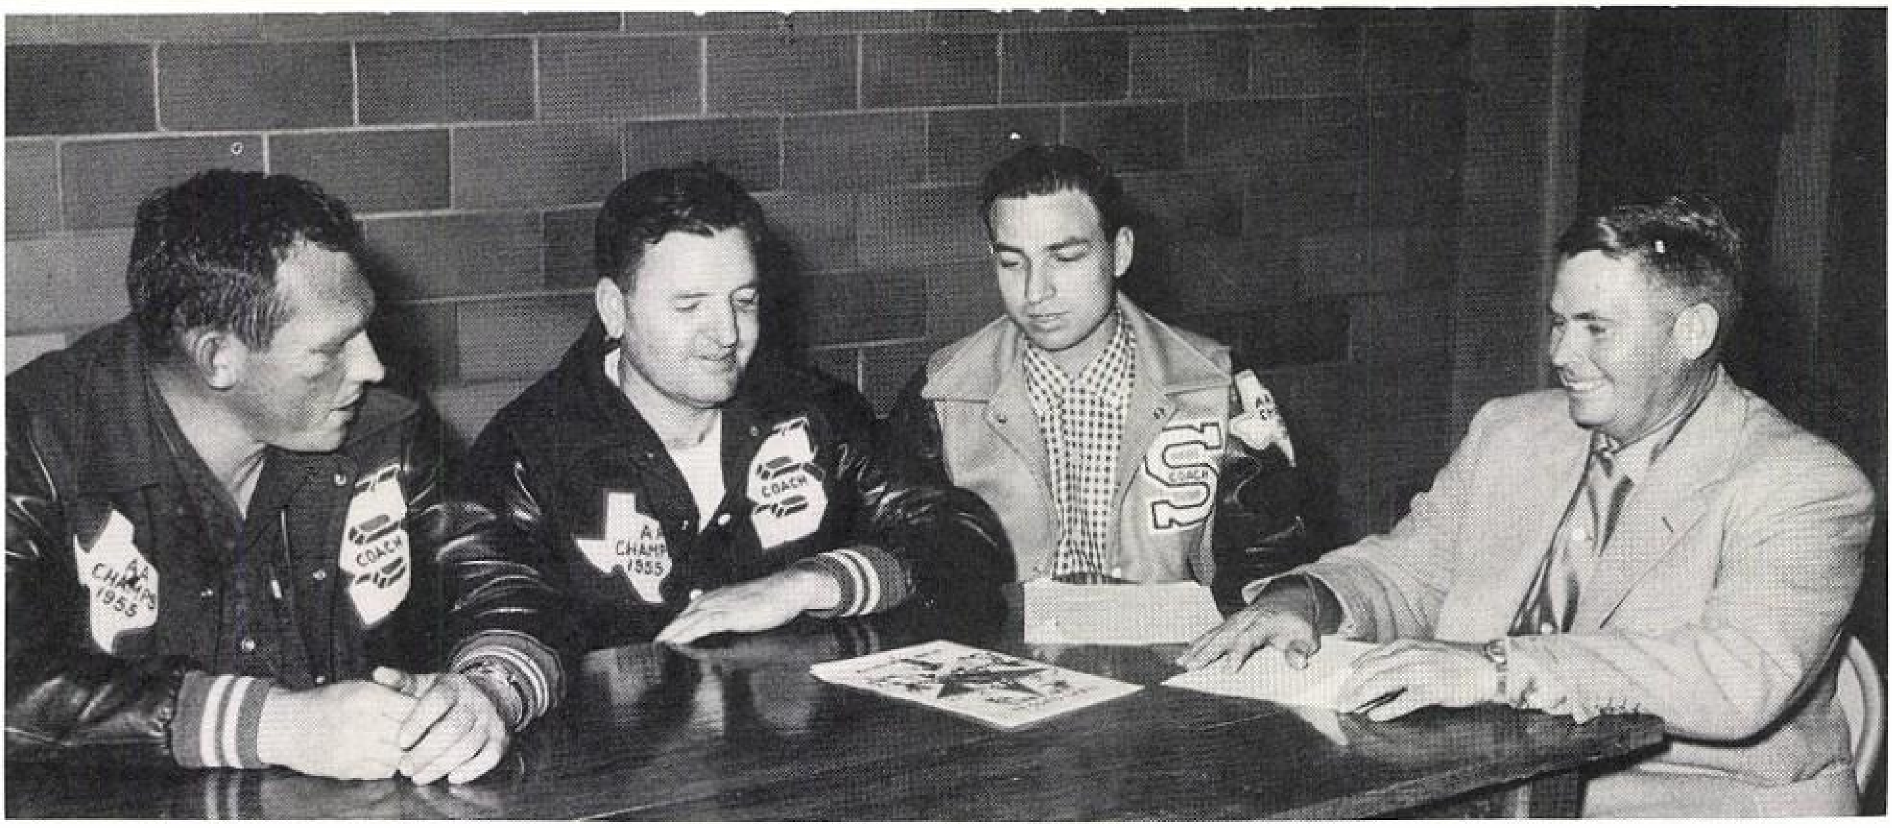
Without the fine leadership of three of the most outstanding tri-captains in Texas, the Stamford Bulldogs might never have realized such a victorious season. Dallas Christian got honorable mention on the All-State team, while Mike McClellan and Dale Robinson landed a place on the first team.



TRAINER

Sterling Carmon, the outstanding trainer for the Stamford Bulldogs, was everywhere at once doing his part in making a State Championship team!





Pictured above is the coaching staff of the Stamford Bulldogs - one of the finest staffs in the U. S. They are, left to right: Jr. High Coach, Bill Anderson; Head Coach, Gordon Wood; Assistant Coaches, Larry Wartes and O. M. Isbell.

the awesome Bulldogs humbled the "Pride of the Plains," the Canyon Eagles, 48-12 for their second consecutive regional crown and their 29th consecutive win. Gaining momentum, the Stamford brigade lowered the boom on a fine Crane eleven, 39-6 in San Angelo. On a great day for Stamford, mighty Terrell, conqueror of the Bulldogs in 1953, was completely routed by the dynamic defense and irresistible offense of the Blue and White to the pretty tune of 39-7.

In a fitting climax to a great year, Stamford fought its hardest battle in Abilene against the aerial-minded Brady Bulldogs. It was nip and tuck all the way, with the Stamford boys coming from behind a seven point deficit and notching their 32nd consecutive win and second consecutive State AA Crown. Not only did they set a new class AA record in wins, but they also obtained the honor of becoming the first AA team to win the title twice. Playing together like a true team all the way and conducting themselves like Christian gentlemen, the Stamford Bulldogs proved to be worthy of Stamford's praises and confidence.

This is the never-to-be-forgotten '56 season of the Stamford Bulldogs. Long will it live in the hearts of many!

"B" TEAM

Playing exciting West Texas type football all the way, Coach Larry Wartes' "B" team had a good season record of five wins and three losses. Heavily outweighed and outmanned, but not outplayed, by every oppónent, the Stamford lads showed promise of becoming a traditionally fine Bulldog "A" team next year.

In the season opener, the Blue and White dropped a close one to a very fine Bronte team, 6 to 0. Facing one of the toughest class A teams in the area, the Bulldogs lost another close one, 12 to 0, to Lockett's "A" team. Bouncing back like a true Bulldog crew, they way-laid district foe Seymour's "B" team 26 to 13. Once again, outweighed and outmanned, the never-say-die Stamford Brigade lost to Class 4A semi-finalists, Wichita Falls "B" team, 26 to 6. Two quick victories followed next, one over the Hamlin "B" team 12 to 0, and a 1 to 0 forfeit from injury-riddled Woodson. In one of their finest games, the Bulldogs, by sheer desire and determination, trounced class 4A champion Abilene's "B" team 13 to 7. Winding up the season with a bang, Coach Wartes' boys once again smashed Seymour 33 to 20. Some of these game "B" teamers later in the season had a big hand in winning the state crown.

STAMFORD BULLDOGS WIN FIFTH

In spite of the late start due to football, the Stamford Bulldogs played great basketball and racked up an admirable record.

Winning their fifth consecutive district crown with only one defeat, they made their way to the bi-district tilt against the Wellington Rockets, only to bow

SHOT PUT AND DISCUS: Royce West, Andy Swenson, Dallas Christian-not pictured

Qualifying five men in five events for the State meet in Austin, the Stamford Bulldog tracksters concluded an extremely gratifying season for Coach O.M. Isbell. Led by State champion sprinter Mike McClellan, the Bulldogs faired well in the Possum Kingdom Relays at Graham and in the Fort Worth Recreational meet in pre-district competition. Winning district for the fourth time in the last five years, the Bulldogs sent seven men to Regional, where McClellan was high point man, breaking the 100 yard dash record with a 9.6 time, winning the 220 yard dash, placing second in the broad jump, and anchoring the 440 yard relay to a first place. Others qualifying for State were Dallas Christian, second in the discus; and the 440 yard relay, consisting of Charlie Helmer, Robert Hardin, Donald Davis, and McClellan. Donald Davis also took first place in the broad jump, leaping 22'1 1/2''.

At the Regional meet Hill placed fourth in the low hurdles, and Christian placed third in the shot put.

''After winning the Red Raider meet at Lubbock, the Bulldogs went on to win the State meet at Austin, compiling a total of 44 points in all. The relay team, led by McClellan with Hardin, Davis, and Helmer, won first place. McClellan placed first in the broad jump, first in the 100 yd. dash, and placed second in the 220 yd. dash.

The Bulldogs have had a wonderful year, and Stamford High School is exceedingly proud of them.''

Valerie Harms, girls' singles.

Martha Hudson and Carolyn Bennett, girls' doubles.

Having practiced under the supervision of Mr. Tinsley and Mr. Simpson, the tennis team worked very earnestly in preparation for the District Meet. At District, Nickey and Bobby won boys' doubles; Martha and Carolyn won girls' doubles, and Valerie won girl's singles, and Ralph lost a close decision in boy's singles. Thus, Stamford qualified five contestants for the regional meet. Both doubles teams lost and Valerie was not able to go because of illness.

F. F. A. Wins Many Honors

T. C. Rice, Jr. was elected president of Area II FFA at Brownfield. Area II is composed of ninety-two chapters in 8 districts bounded roughly by a line from El Paso to Del Rio to San Angelo to Stamford, Tahoka, and Brownfield.

Charles Stenholm was president of the Stamford District FFA for the past year. The district is made up of fourteen chapters.

In addition to the many scholastic and athletic honors won by members of SHS, the Stamford FFA Chapter performed with much distinction on district and area levels. Below are pictured the banners, rosettes, and trophies won by Chapter members. The rosettes, denoting reserve champion winners, and the trophies, representing grand champion winners, were gained at the Jones County Livestock Show. The banners on the board, won in district and area contests, are self-explanatory. The two second place rosettes on the board were won by grass and land judging teams at the Lower California Creek Soil Conservation District Contest.

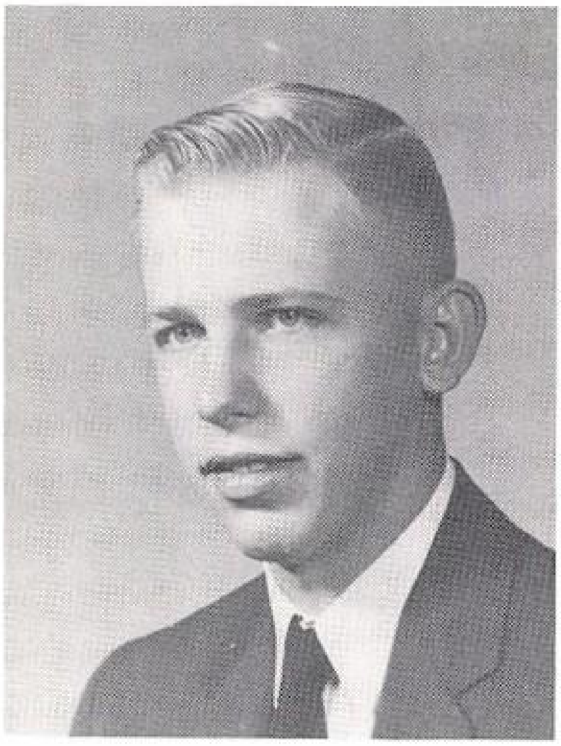
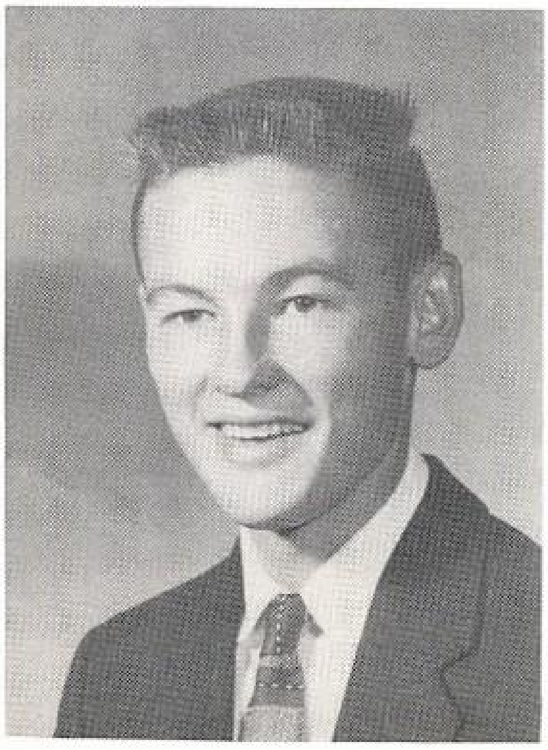
DARRYL SCHOONMAKER -- one of the quarterbacks on the state championship football team, distinguished in the department of agriculture, was full of the joy of living, and though exuberant as he went about his tasks, he was cooperative, a worthy citizen of Stamford High School.

STEVE WATTS -- though carrying an unusually heavy load in school his senior year, found time to be in the band, on the senior boys' quartet, and to serve as president of the Student Council. In spite of his many activities, he did creditable academic work.



GENE EKENSTAM -- has proved his ability in his FFA work, as student librarian, in the classroom and as editor of the '57 Bulldog. Quiet, unassuming, capable, dependable, showing marked leadership ability, he has won the admiration of students and teachers.



NATOMA ROBERTS -- is a sweet, co-operative girl, a member of the Pep Squad, a representative to Girl's State - a girl who deserves honorable mention in our school.

LANETTE SMITH -- Junior Class secretary, member of the band, cheerful, willing, eager to do her best at any task assigned to her has made an enviable place for herself in our school.

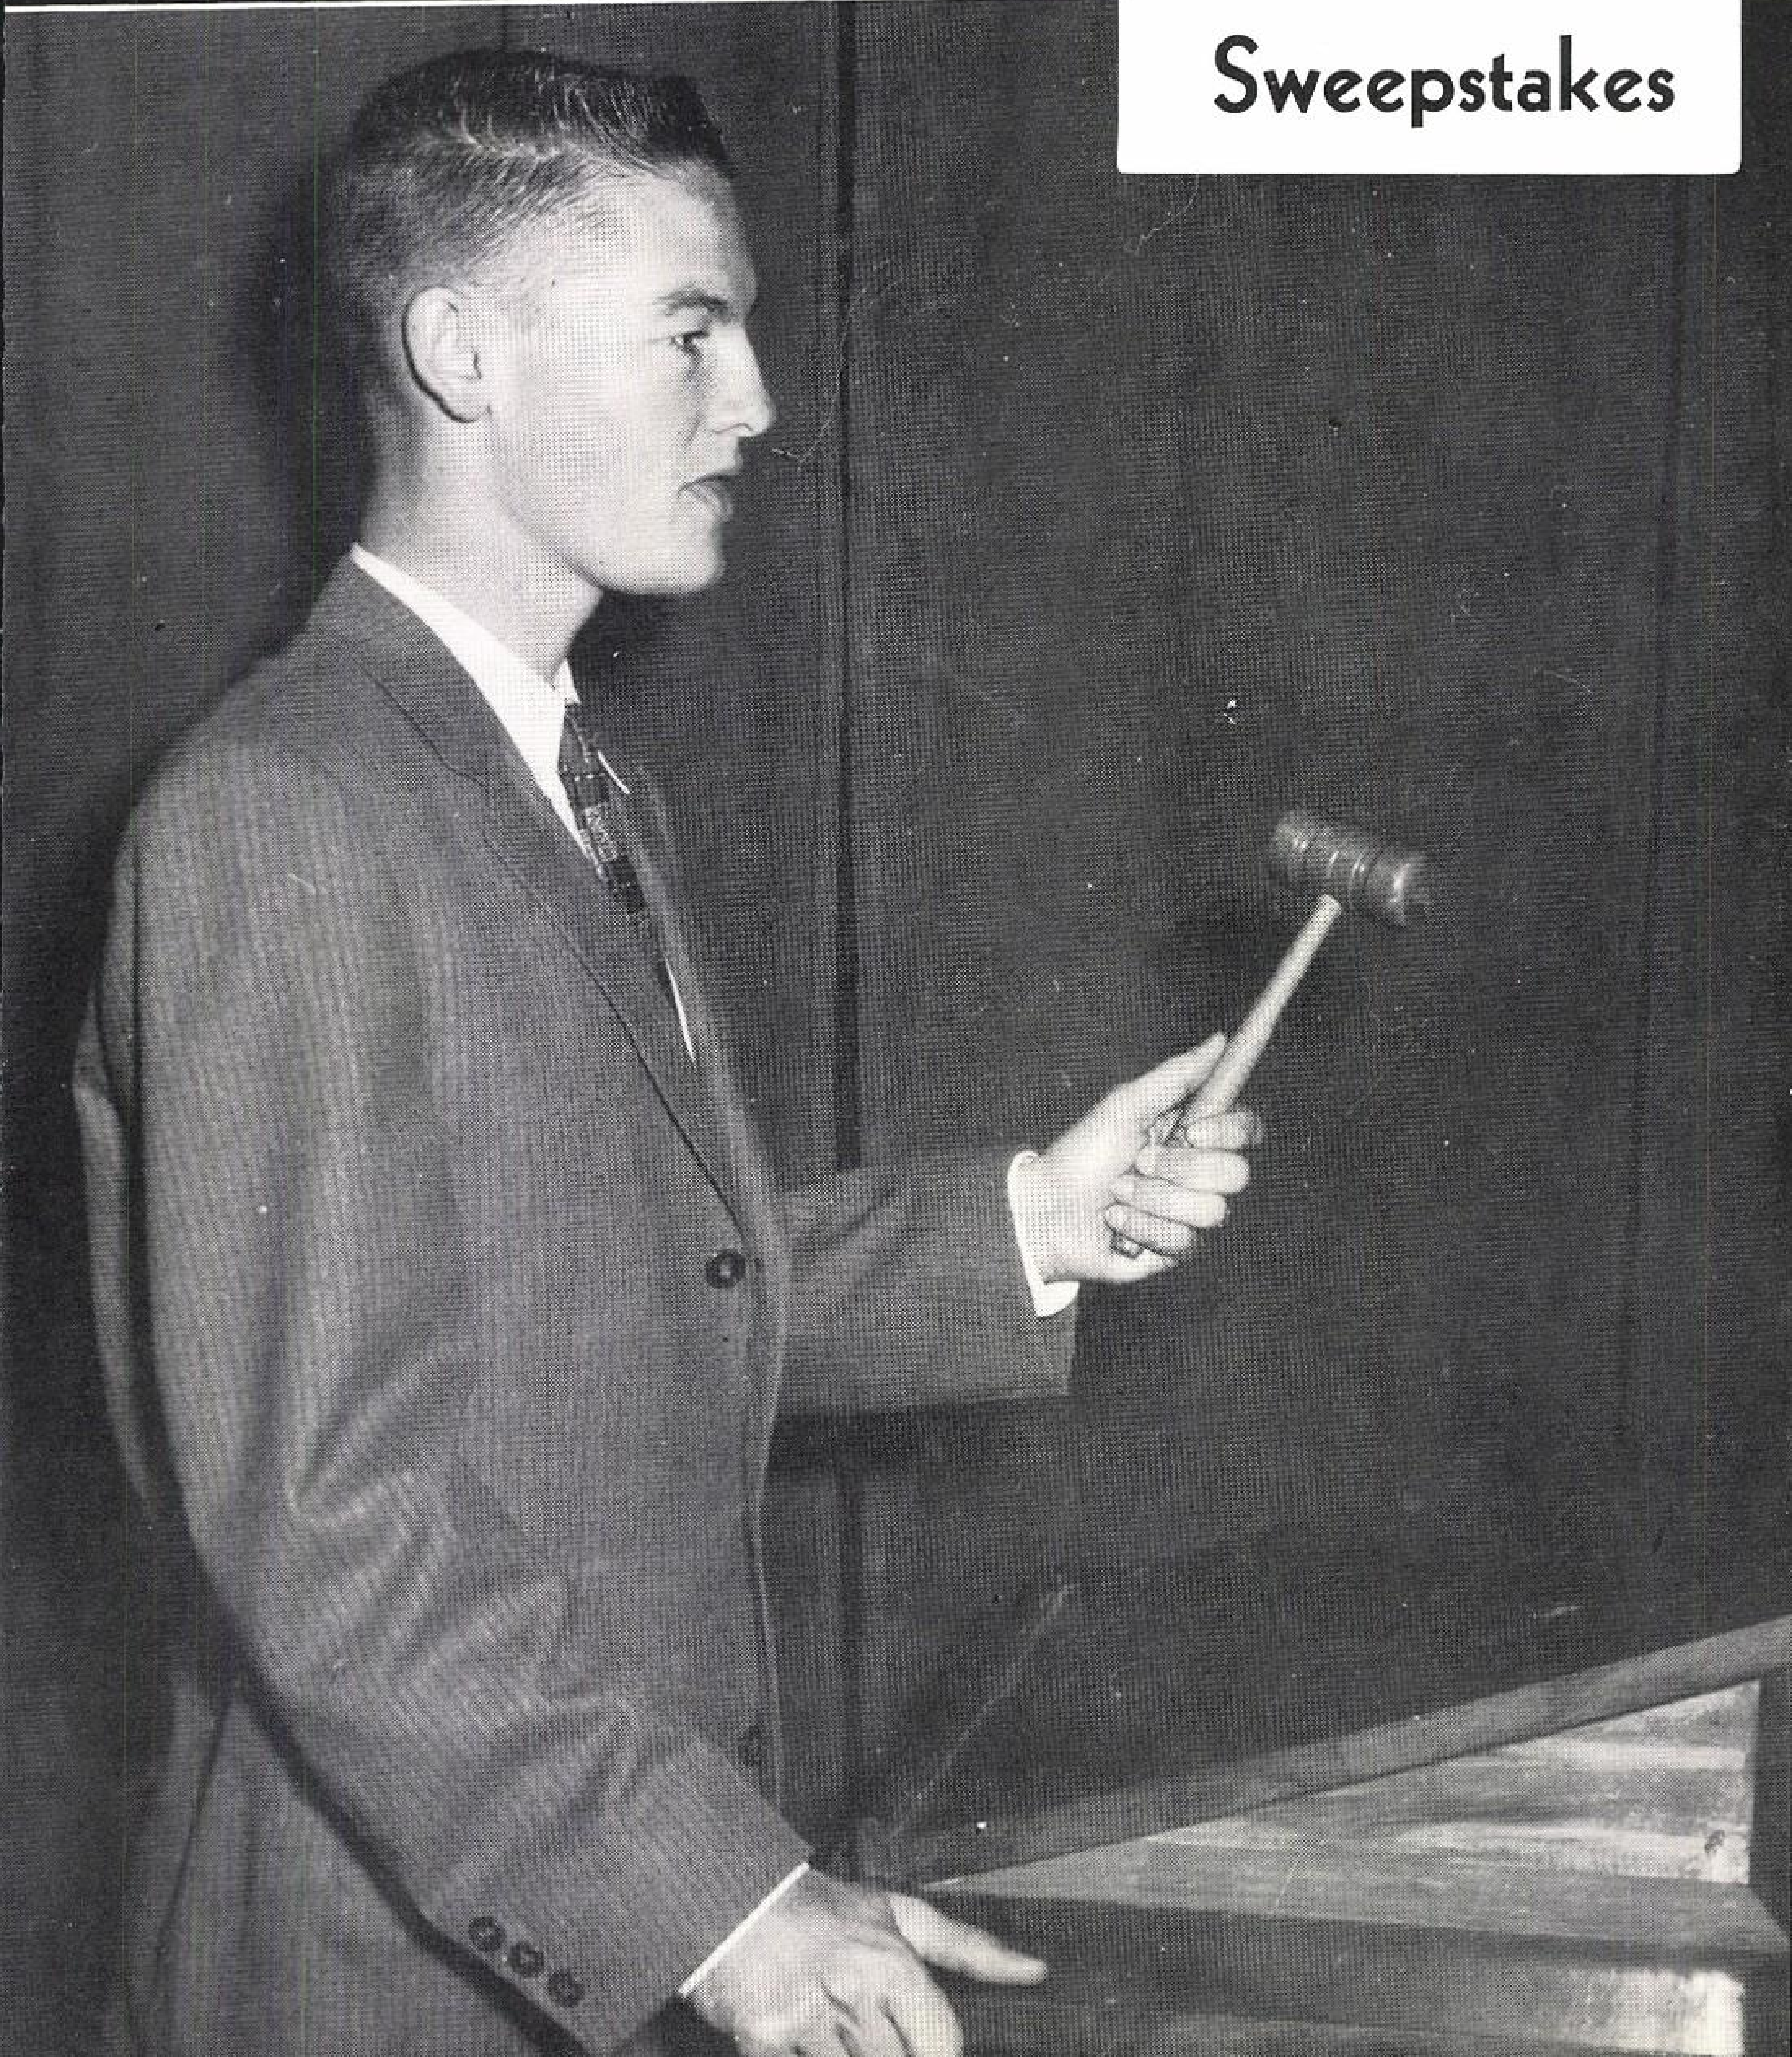
Blue and White Band Wins Sweepstakes



Editor, Gene Ekenstam, and Assistant Editor, Oran Brigham, are shown poring over the dummy, which is a sketched version of your '57 BULLDOG.

Annual

Serving as editor of the annual is both a distinct honor and a responsibility. Working, planning, and helping others is extensively rewarding.

Since some of the annual staff members adhere to the rule, "Never do today what can be put off until tomorrow," much hurrying, scurrying, and worrying is done by staffers as the deadline approaches.

Sports Editors, Lynette Johnson and Bill Blackburn, have done a wonderful job of collaborating on the sports section of the '57 BULLDOG.

Lynn Cozby, Senior Representative, Margaret Nauert, and Valerie Harms, Junior Representatives, are shown working on class layouts.

Staff

It has been only through the persistent efforts of our sponsor, Mrs. Austin, that we have been able to produce this yearbook.

Because of the many lists and revised write-ups that must be typed, the typists for the annual staff must have ability and patience. Our typists, Judy Campbell, Anita Taylor, and Sue Hardin, have acquired this admirable trait to a high degree.

The staff owes its heartfelt thanks to several who are not listed on the staff; nevertheless, it is through their patience and cooperation that we have been able to put out this yearbook. Mrs. Stokes has helped immensely in the identification of the Junior High students, while Mrs. Giles and Mr. Simpson have been very patient with us when we referred to the office files. Mrs. Huffaker has helped with the write-ups, and Mrs. Wartes has very graciously put up with the noise which emanates from the annual room every day.

Business Manager, Jerry Williams, and Circulation Manager, Jan Olson, were very efficient and businesslike in their handling of the annual's finances.

Wanda Childress and Lynnora Ratliff, Freshman and Sophomore Representative respectively, have proved invaluable in doing much of the checking and layout work this year.

Library

Mrs.Johnson, charming, intelligent, d poised, is always anxious to help udents in any way that she can. rough the years she has become enared to all at S. H. S. by her warm ile and her understanding of boys d girls.

We at S.H.S. are indeed proud of our High School Library. During the past year, three sets of encyclopedias and 400 new books have been added. The vertical file, a new feature, has been a great help to the librarians and Mrs. Johnson. The colorful bulletin boards are designed to attract the attention of the student entering the library. The one pictured here was made up for Public School Week.

Reorganized in 1948 under its present director, William E. Mayes, the Stamford Bulldog band has become one of the best known high school bands in the West Central Texas.

Witnessing the inauguration of the State Champion Bulldogs for the second consecutive year was like a dream come true for the members of the band.

The band entertained with several adult and student concerts. The annual magazine sale being moderately successful, the band made plans to take the traditional spring trip. They visited in Fort Worth last year and attended the Ice Capades. The concert band, composed of sixty members, made plans to enter the warm-up contests at Jacksboro, Snyder, and Winters and to enter the Interscholastic Contests at Abilene.

Membership is based on musical ability and rigid standards of character.

Pep Squad

No season could possibly be compared with the football session of this year, as far as the Pep Squad is concerned. What could be better than to have the football team which the Pep Squad supported so avidly win state championship for the second time?

The girls enjoyed the many rides on the old yellow school bus, but the change to the chartered bus, when they went to Dallas was welcome. Tears and laughter were in their voices as the Bulldogs succeeded in winning against the mighty Terrell Tigers. There is no doubt in the minds of the girls that all of the games were as important to them as to the boys.

A highlight late in the season was the election of 1957 cheerleaders and co-leaders. Cheerleaders include Darlene Olson, Chrissie Kendrick, Lilly May Skiles; co-leaders, Margaret Nauert, Sue Davis, Myron Olson. These we presented at one of the pep rallies in the gymnasium.

These girls attempted to show some small part of their appreciation for their football heroes by giving them a well-deserved banquet which held up the traditional standards of the Pep Squad. It was gay and exciting; and, as usual, the food was very tasty. Honors, tributes, and gifts, together with an outstanding program, highlighted the affair.

Pep Squad officers are: Sandra Sorrell, President; Peggy Harvick, Vice-President; Halene Lipe, Secretary-Treasurer; Sandra Neinast, Sergeant-at-arms.

The first year homemaking girls, Judy Weeks, Janet Wilson, Elsie Medlin, Shirley Atkinson, Shirley Mann, and Cherry Pritchard, are shown in the cooking department preparing a tasty desert.

The Stamford Chapter of the Future Homemakers of America has had a well-rounded program of activities for the year of '56-'57. Officers were installed in a beautiful ceremony in the fall. Members of the chapter attended the District Meeting in Hamlin in November where they gave the devotional. In January, Sophomore, Junior, and Senior members went on a field trip to Abilene where they visited places of educational interest including the K.R.B.C. television and radio station where they appeared on television, Abilene Reporter News and the Foremost Creamery. They also were privileged to visit Abilene High School where they attended the Shakespearean Play, Richard III.

At the Area IV meeting in March the Stamford Chapter had five members in attendance for the House of Delegates and the program. Two members represented the Chapter at the State Meeting in Dallas in April.

Chapter projects were the sending of Christmas cards to the State Hospitals, singing carols for aged at Christmas, observance of National F. H. A. Week, Mother-Daughter Banquet and Leadership Camp at Buffalo Gap in June.

The club opened its '56-'57 season with its annual President's Dinner. Highlighted next during the year was the district convention in Vernon. At this convention the club was awarded a Gold Certificate for outstanding achievements during the previous year. In the spring a number of members attended the music festivals in Fort Worth. An outstanding year was climaxed by the Open House, followed by the Installation Tea for the new officers.

Student Council

Composed of representatives elected from the four high school classes, with the principal as faculty advisor, the Student Council has for its purpose the promotion of a better understanding and closer cooperation between the student body and the administrative staff.

Included in the Council's program this year have been the conducting of daily devotionals, directing the polio drive, sponsoring special activity days, outlining extra-curricula interests, recommending a long range student program that would build for the future, and counseling on various pertinent matters.

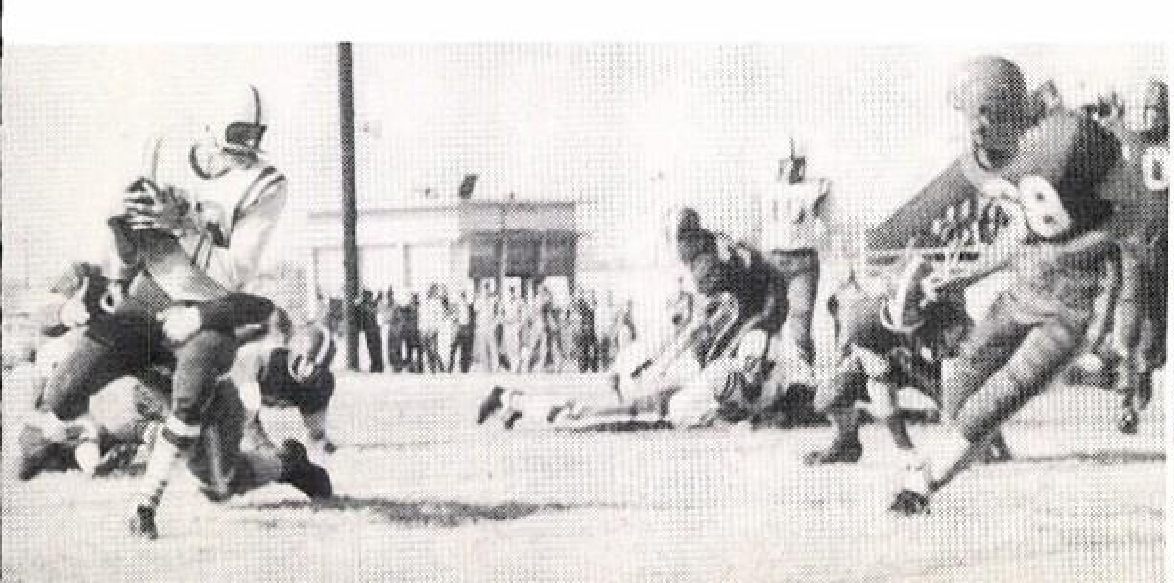
TNBPR

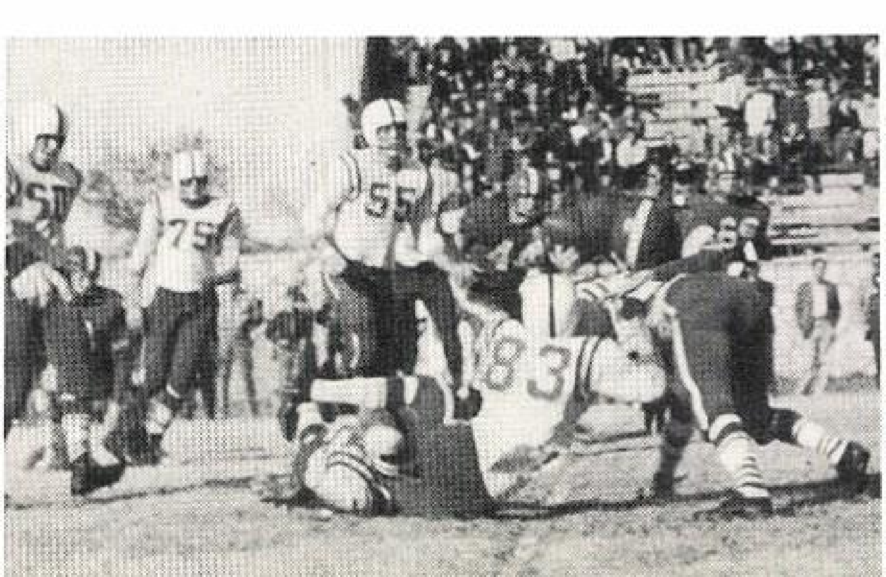
This year was extremely exciting for the girls in TNBPR. Meeting every Thursday night at someone's home the girls had an hour of fun and laughter while engrossed in building greater school morale and spirit for their beloved football team. They exhibited this vitality and enthusiasm at pep rallies following the meetings.

First row, left to right: Robert Hardin, T. C. Rice, Delton Ake, Sterling Carmon, James Meredith. Second row: Wilbur Cox, Larry Ivy, Kenneth Ivy, Romeo Garcia, Nickey Jackson, Darryl Schoonmaker. Standing: Arche Pardue, Douglas Monzingo, Dallas Christian, Dale Robinson, Mike McClellan, Rufino Escobedo, Andy Swenson, Bobby Nelson, Gayle Ward, Charles Stenholm, Walter Hood.

Squad Meeting

Of all the factors that enter into a state championship football team, the squad meeting, the boys believe, is one of the most important. Each Thursday night teammates get together to relieve some of the tension caused by the game to follow and to assure themselves of being mentally and physically fit for the contest. The squad meetings are usually carried on reverently, with the presence of the Lord being humbly felt by all.





Civic Club Honorees

The Civic Clubs of Stamford select students from Stamford High School to represent their respective organizations at various occasions. These are chosen on the basis of their citizenship, leadership, participation in school activities, and scholastic standing.

Each of these Civic Clubs chooses a boy and a girl to attend Boys' and Girls' State in June. The Exchange Club chooses a boy and a girl each month to be honored by them, while the Business and Professional Women's Club chooses a girl each month beginning in January. The Rotary Club and the American Legion are the two other clubs participating in these activities.

Oran Brigham, Tommy Davis, Monty Monzingo, and Larry Denson were chosen to attend Boys' State.

The Exchange Club has chosen as its boys and girls of the month the following:

September: Martha Hudson and Mike McClellan.

October: Lynette Johnson and Bill Blackburn.

November: Betty Boedeker and Dale Robinson.

December: Norma Smith and Steve Watts.

January: Geri Baize and Dallas Christian.

February: Sarah Harrison and Charles Stenholm.

Chosen to attend Girls' State were Darlene Olson, Margaret Nauert, Charlotte McCallum, and Natoma Roberts.

The Business and Professional Women's Club has chosen Betty Boedeker, Jeanie Sitton, Lynette Johnson, and Martha Hudson as their girls of the month.

Football Banquet

The Pep Squad Football Banquet for the 1956 season was an especially important one because in it we celebrated two consecutive years of fabulous football and two State Championships. The guest speaker was Mr. Mike Brumbelow, head football coach at Texas Western College. Touching briefly upon the origin of football, Mr. Brumbelow's speech had the flavor that only a good football coach and public speaker could give it. He pointed out the fact that a good sport on the football field will develop into a good citizen in life. Entertainment was provided by the Senior Boys' Quartet and the Senior Girls' Sextet. The football royalty was crowned and the coaches received gifts from the team.

Peggy Harvick, representing the Pep Squad, crowns a smiling king, Kenneth Ivy.

Students and guests alike enjoyed the fellowship of this banquet.

Mr. Johnson, Mr. and Mrs. Simpson, Mr. Brumbelow, and Peggy Harvick at the speakers able.

Having distinguished themselves on the football field, these All-Staters did a commendable job in putting away the food.

State Championship football players and their dates.

Some of the guests enjoying the delicious food.

Junior-Senior Banquet

The Junior-Senior banquet followed the unusual theme of Jade Dragon's Tea Garden. The message, entitled "Confuscious Says" given by Mr. Silas Triplett, was thoroughly enjoyed by everyone. American food, which was served by the sophomore girls dressed in various Oriental costumes, was given a foreign name to entice the appetite of everyone present. Music was furnished by Wilbur Hill and his band and the Stamford High School Stage Band. An added attraction of the program was the crowning of the Basketball King, Dallas Christian, and the Queen, Sarah Harrison.

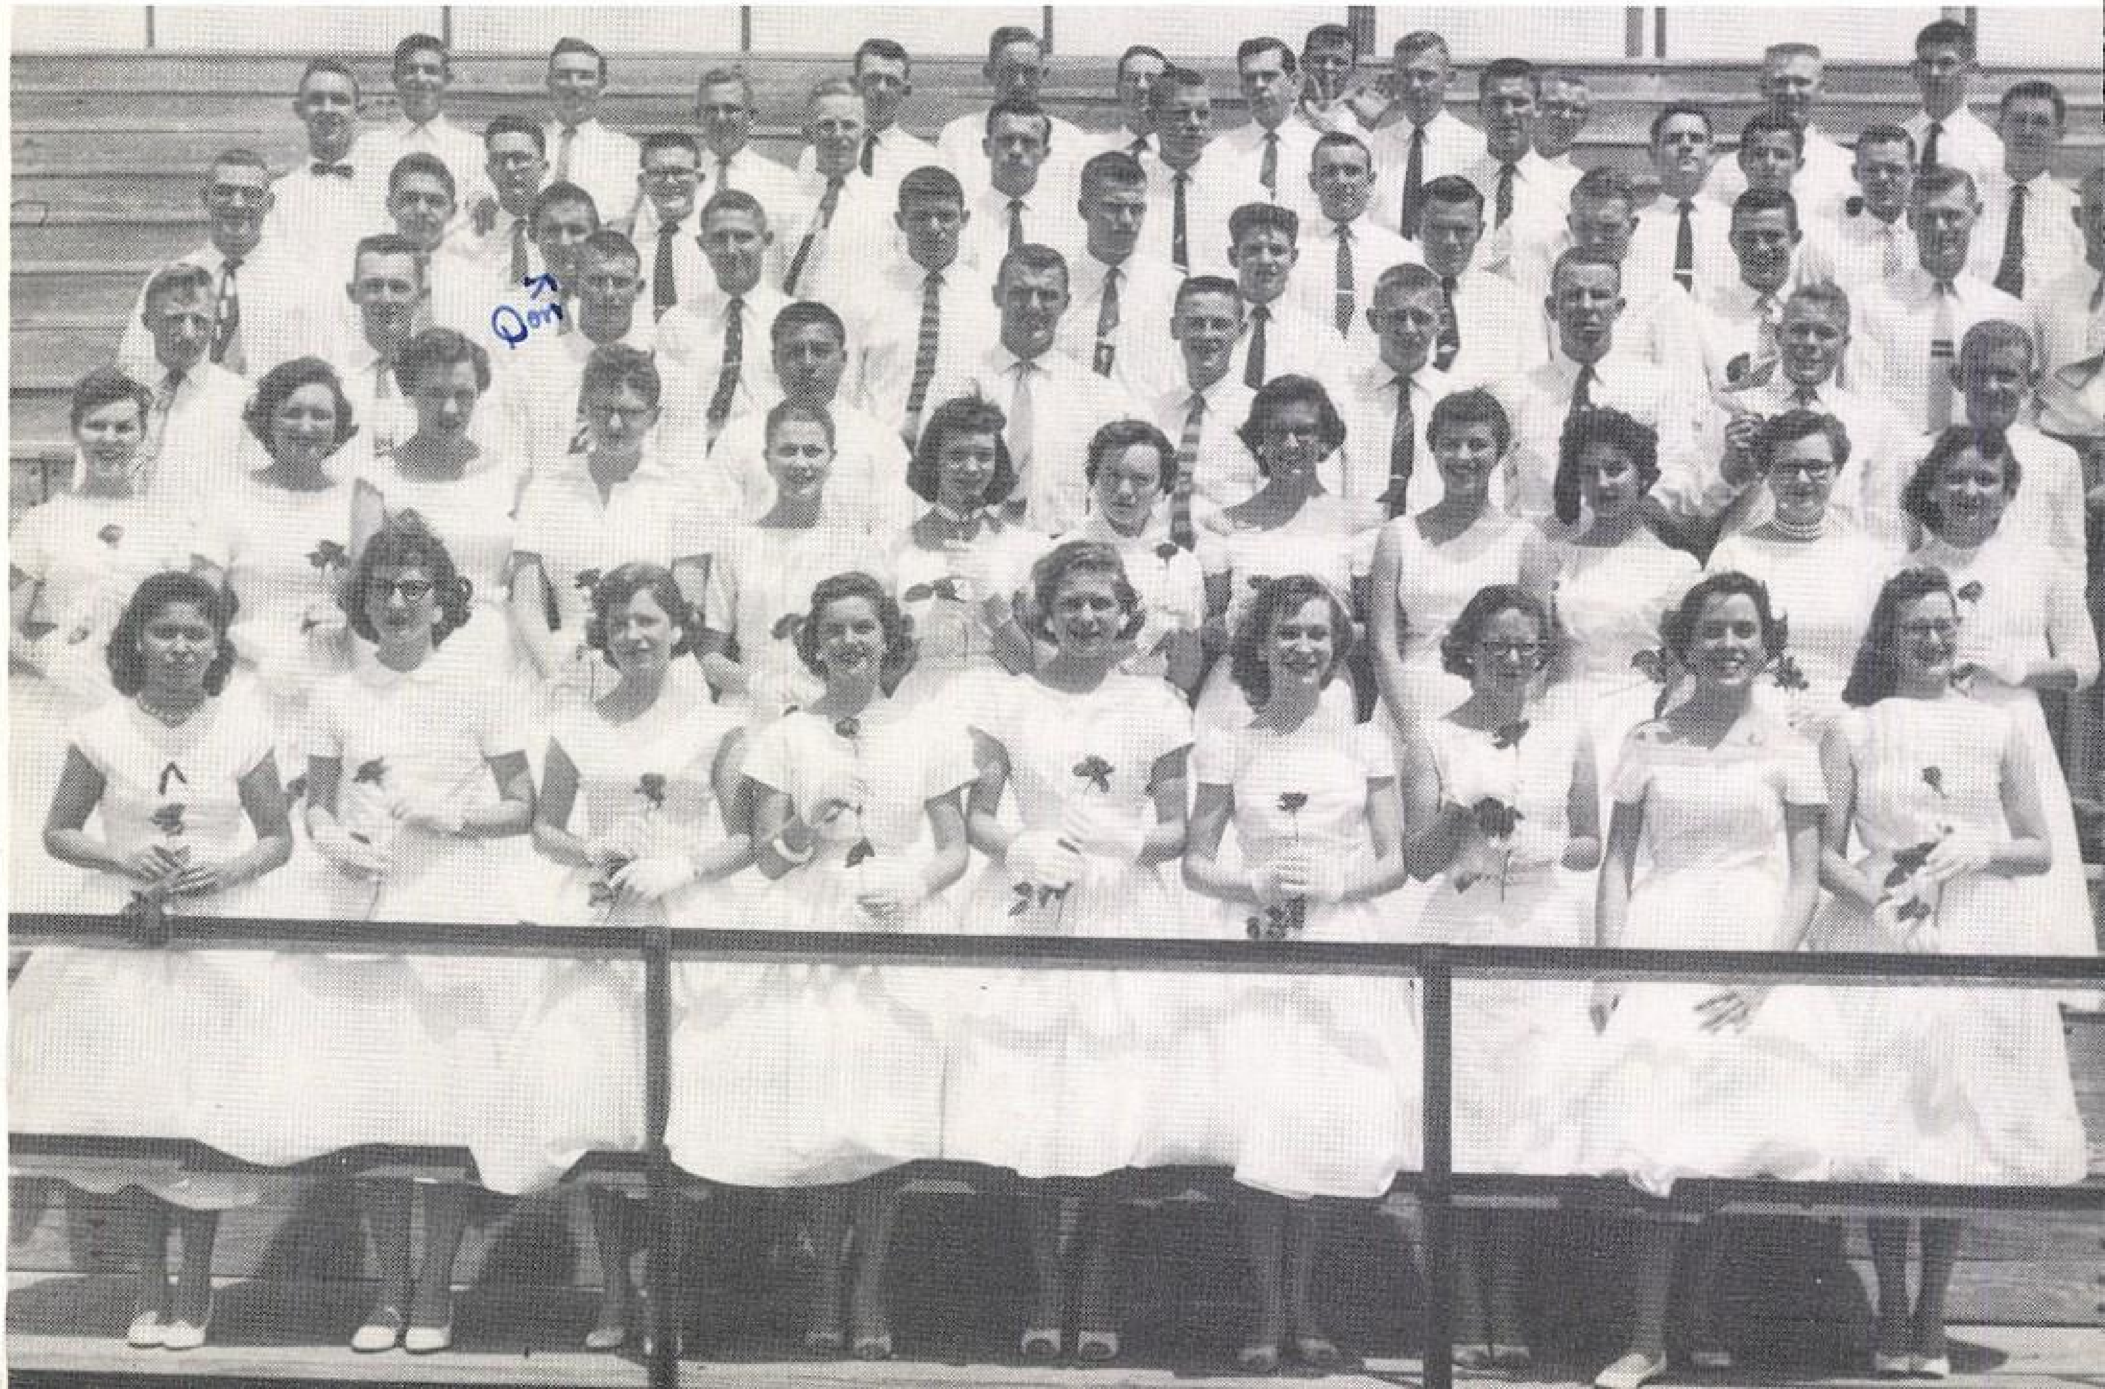
Senior Day Program

Lynette Johnson is announcing the recipients of the Seniors' most prized possessions.

As an expression of gratitude for the memories, experiences, and knowledge it has received, the Senior Class left a considerable sum of money to the school with which to build a much-needed trophy case.



The Seniors of 1957 held the annual Senior Day program May 10, 1957. Following the processional, played by Jane Giles, the Seniors presented four skits - two classroom scenes, a Senior bus scene, and a comedy skit on a doctor's office. Appreciative laughter followed these as well as the class will and prophecy, read by Lynette Johnson and Martha Hudson, respectively. Mr. Rowland and Mrs. Huffaker, class sponsors, who went on the trip, were presented gifts in recognition of their hard work. A check paying for an enlarged trophy case was presented to Mr. Simpson by Bill Blackburn, class president.

Following the recessional, the Seniors went to Abilene for miniature golf and swimming.

Martha Hudson - head prophetess - informs everyone as to the future of the Seniors.

Gifts were presented to the sponsors who went on the Senior Trip.

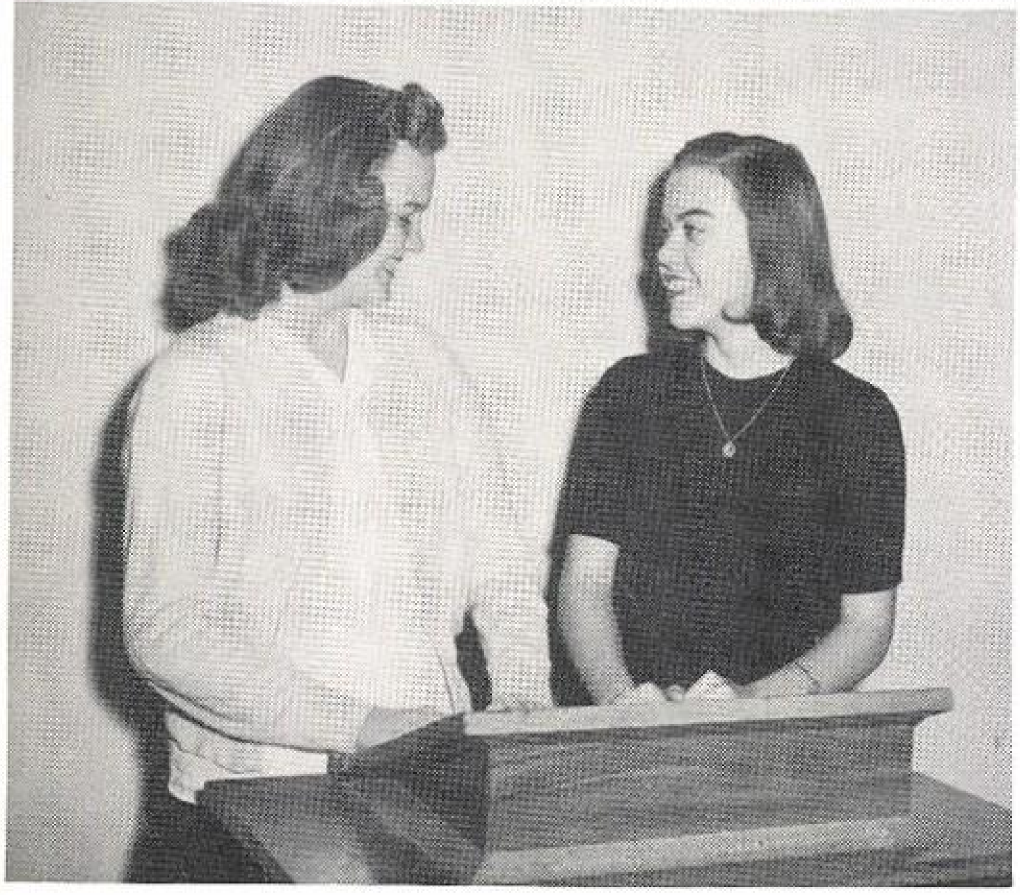
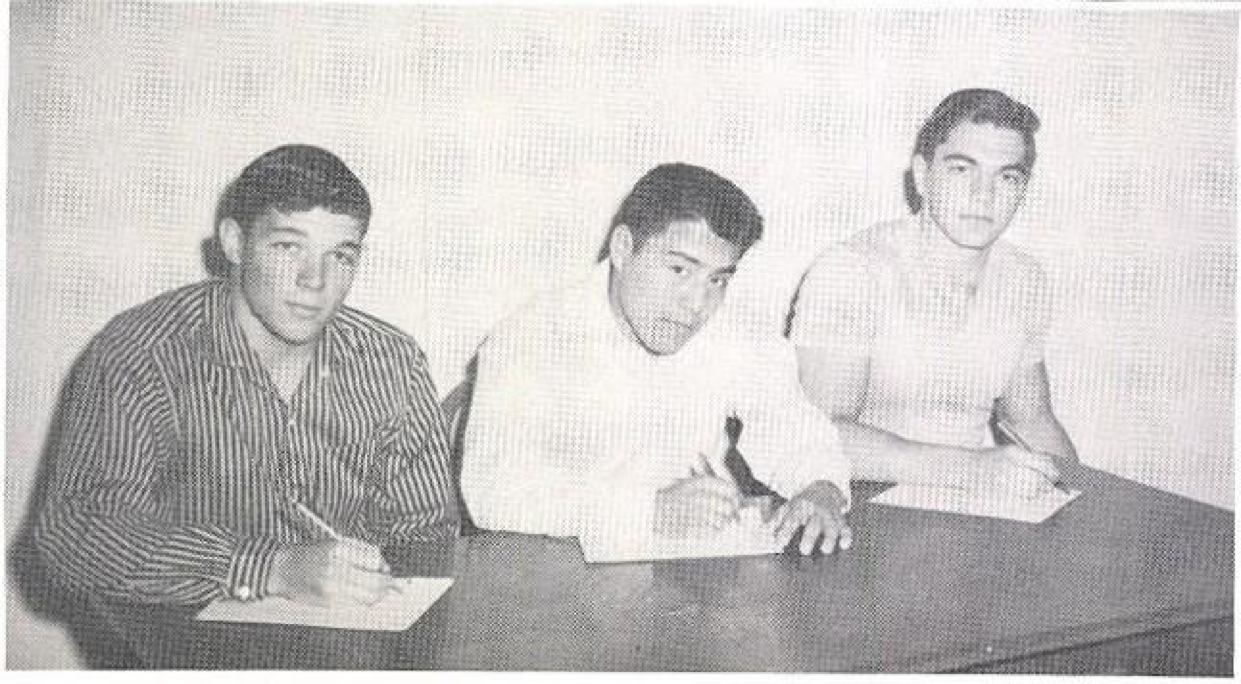
Literary

Who wouldn't enjoy hearing Gloria Feldt and Martha Holland declaim? Martha placed fourth in district contests in Senior Declamation using the selection "Three Colors."



Blanche Haney, alternate, and Judith Thomas are very pleased about Judith winning second in Junior Declamation. Her winning speech was "The Touch of the Master's Hand."

Arche Pardue and Bill Blackburn went to Haskell to compete in the ready writing event. Winning first there, Bill went on to win first in the region, which entitled him to compete in the state contest. Romeo Garcia served as an alternate.



Jerry Williams, representing the school in the slide rule contest, was not able to attend the district meet because of illness.

Contestants

In the district spelling event at Haskell, Gene Ekenstam and Lanette Smith, representing our high school, placed second. Jane Smith served as the alternate for the team.

Our high school was represented in the number sense event by Douglas Beggs and Peachy Cole, who won second place. The alternate for this event was Jerry Williams.

The two of our students who entered the shorthand event were Lynette Johnson, who placed third, and Peggy Gauntt. Anita Taylor was chosen as the alternate.

Typing was another event which three of our leading typists, Patsy Daffern, Sarah Harrison, and Maxine Billington, entered.

Pausing during a busy morning's work of preparing a wholesome, well-rounded meal for pupils in Stamford Schools are the following cafeteria ladies: Mrs. Massey, Mrs. Ivy, Mrs. Brown, Mrs. Hughes, Mrs. York, and Mrs. Bell.

No one knows better than P. M. Smith how much work is required to keep our building in good condition.

Hamp Skiles, in a pleasant mood this morning, keeps the buses in good running order and has general charge of the building and grounds.

IN RETROSPECT

The cover has been put on the typewriter for the last time, the innumerable check lists have been put away, the last page has been decided upon and the pictures pasted down, and the annual room is silent once again. We have shown you the instructors who have taught us so much and left us with many memories; we have tried to illustrate past games and moments of glory so that this "Bulldog Year" may be highlighted in your memories; we have shown you the friends you acquired in the many organizations and have given you a look at the faces of your classmates and the extra-curricular life around the campus. We have also portrayed the business men and their businesses who have backed the activities and organizations of the school all the way. Thus we, the staff close this annual with the hope that we have produced a book worthy of the student body, for we know that in future years these memories will mean much to everyone.

THE BULLDOG, 1957

Dear Steve,

Well I guess were out for good this time. We had some great times before I pulled that dumb stunt that I pulled. Like the time we went out to the lake and skied or that one Friday & Saturday night. I'm sure we won't forget that for a long time. I guess we won't be seeing each other much after you packup and go off to school and then one of these years I'll be riding over those joyous waves. I sure wish you and some of the other guys could be in there with me.

I can see now that I was sort of off my rocker. I hope you will try to forget and forgive and that we can be the same friends that we once were. Best of luck to one of the swellest guys I know.

a friend always,

Eddie

Dear Steve,

It surely has been great knowing you. I can still remember the first time I ever saw you. Judy Zimmerman and I went out to the lake with your family. You hadn't even gone to school here yet. We've sure had fun since then. I think you are a wonderful boy with an equal personality. I know you'll make something of yourself. I wish you lots of happiness the rest of your life.

Love,
Nancy Kay

P.S. You better lay off those "Adam" magazines.

Dear Steve-"O",
